

### REMARKS

In the October 12, 2004 Office Action, the Examiner requested clarification of how the slider 40 "covers" the guide opening 31 of the casing. Independent claim 1 has been amended to clarify that the slider covers a lower portion of the guide opening of the casing, where the lower portion is lower than the lever assembly. This amendment clarifies that the slider does not fully cover the guide opening, but covers at least the lower portion thereof.

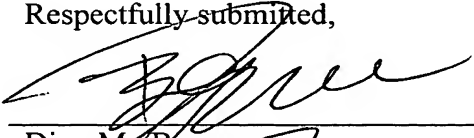

### CONCLUSION
